Standard Warranty Terms and Conditions for i380 Smart Switchboard

1. Warranty Coverage: The i380 Smart Switchboard is covered by a limited warranty for a period of 2 years from the date of purchase against manufacturing defects only. This warranty is valid only for products sold in India.
2. Warranty Claim Process: In the event of a defect, the buyer must notify Valuecon Private Limited in writing by sending an email to support@valueconsmart.com or by calling the toll-free number mentioned on the product packaging. The buyer will be required to provide the proof of purchase along with a detailed description of the issue faced with the product.
3. Service Center Location: The buyer will have to send the product to the official service center located in Gautam Buddha Nagar, Uttar Pradesh. The shipping cost to and from the service center will be borne by the buyer.
4. Repair or Replacement: Upon receipt of the product, Valuecon Private Limited will inspect the product to determine the cause of the defect. If the defect is due to a manufacturing defect and is covered by this warranty, Valuecon Private Limited will either repair or replace the product at their discretion within 30 days of receipt of the product.
5. Exclusions: This warranty does not cover any physical damage to the product, damage due to misuse or abuse of the product, damage due to non-compliance with the user manual, or any damage caused by application of any appliance, mobile phone, light or fixture higher than the prescribed voltage/current/amp for each output.
6. Dispute Resolution: All disputes arising out of or in connection with this warranty shall be subject to the exclusive jurisdiction of the courts in Delhi only.

By using the i380 Smart Switchboard, the buyer agrees to be bound by the terms and conditions of this warranty. This warranty is in lieu of all other warranties, express or implied, including any warranties of merchantability or fitness for a particular purpose. Valuecon Private Limited's liability under this warranty shall be limited to the repair or replacement of the product as provided herein.
